

Children's Fishing Clinic

This two day free clinic allows young people to learn the basics of environmental protection, fishing ethics, angling skills, and marine safety. On Day 1, the children will participate in workshops at Lipcomb Community Center in Melbourne, Florida. Day 2 the children will go deep sea fishing on the Ocean Obsession Fishing Vessel.

Fishing equipment and bait will be provided for the participants. Food and beverages will also be given to the young anglers. **To register go to www.childrensfishingclinics.com or call 321-446-9770**
